Variance		(1,000,000) (A)

(A) Variance from OSHPD report is due to error on OSHPD report. The original filed report showed \$2,821,846. After audit by OHSPD , several contractual lines were modified and OSHPD made a key punch error causing charity to be overstated by \$1M and contractuals understated by \$1M. OSHPD felt this was immaterial as it did not affect the net income and a correction was never made.
